

AVANTE4BUSINESS: PRIVATE GP SERVICES

Avante
Health

Avante Health is a digitally-enabled Private GP practice serving the Thames Valley region. We offer corporate primary care services to businesses located in London and along the M4/M40 corridors.

Our appointments are available remotely via video and telephone, and in person at clinics and home-visits. Clinics can be at your office or our own locations.

We offer regular PCR and Rapid COVID testing regimes to help keep offices, meetings, events and teams COVID-secure.

We upload COVID results to digital passports to simplify your business travel.

- Private General Practice
- PCR and Rapid COVID Testing
- Digital Passports for Business Travel
- COVID-secure work assessments
- Annual Medicals
- Supporting Staff Wellbeing

Why Partner with Avante?

Our fast, responsive care is led by our team of experienced GPs, who manage your entire medical needs.

We have a multidisciplinary team working with us including nurses, paramedics, physiotherapists, psychologists and more.

We can refer to top consultants across the region in all specialities.

We work with partners in the Wellness Industry offering classes such as personal training, yoga, meditation and pilates.

We tailor our plans to meet the unique needs of your company:

Meeting the needs of Employees

- Video and Telephone Appointments
- Regular GP Clinics at your offices or our locations.
- Prescriptions, Investigations and Referrals
- Choice of:
 - Annual Health Reviews (remote advice)
 - Medicals (includes examination and testing)
- Home Visits: including 'Medicals At Home' and VDU assessments.
- Multidisciplinary advice and in-person services (e.g. physiotherapy and psychology)
- Partner and family plans available on request.

Meeting your Company's needs

Extend beyond the traditional GP service to meet employers requirements with:

- Workplace assessments for COVID-ready offices, complete with our recommendation reports and certification.
- Home-working VDU assessments.
- COVID testing regimes, including rapid testing and PCR testing.
- Digital passports for business travel.

Rules and exclusions

Our usual packages are available to employers and employees. Family rates available on request. Blood and diagnostic tests charged extra (with 15% member discount to all prices) with the exception of tests included in annual medicals. We are not an occupational health service, however we can undertake the listed assessments in this brochure.
